

Galaxy FC - JDL 2027 Come and Try Session

Galaxy FC would like to invite all current U8's and U9's players from our 2026 season along to a training session to see what the Junior Development League (JDL) program is about. Galaxy have one JDL team for U10's's and trials for this program will be happening in November this year.

There will be 4 available sessions on **Tuesday 21st July, Tuesday 28th July, Tuesday 4th August and Tuesday 11th August from 5pm - 6:30pm at Mt Kuring-Gai Oval**. You are welcome to attend as many sessions as you would like, however please be aware that we may need to limit numbers per session.

Please complete the form and select all sessions that you can attend and we will confirm attendance the Friday before each session, making sure that each player will get at least one session

These are not trials, it's a come and try session to get more information and see the format that JDL training takes and if this is something your child may be interested in next season.

Children will join the current U10 training session lead by Kano and the current parent coaches. A parent or guardian must be close by during these sessions.
